

AUXILIARY PROGRAMS

2021-22 School Year at St. Anne's School

Soccer Shots | Soccer Shots is an engaging children's soccer program with a focus on character development. We positively impact children's lives on and off the field through our best-in-class coaching, curriculum, and communication.

Prekindergarten & Kindergarten: Tuesdays starting September 14; 3:15-3:45 p.m.

Kindergarten-Second Grade: Thursdays starting September 16; 3:30-4:00 p.m.

6-week session

\$110 per child

Tippi Jam | Join Tippi Toes® for a high-energy dance class designed to keep boys and girls engaged in continual motion from the first step to the last beat. Our positive, upbeat classes are based on original, imaginative, and FUN music which has hit the Billboard charts! This class allows children three- to five-years-old to exercise their bodies and imaginations while getting a wonderful introduction to dance!

Preschool & Prekindergarten: Mondays starting September 13; 3:15-4:00 p.m.

10-week session

\$190 (includes Tippi Toes shirt)

Optional: \$50 fee to participate in winter recital on true stage

Pop Stars Dance | Get ready to turn your living room into a stage and dance like your favorite pop stars! In this high energy, age-appropriate class, students will learn popular jazz techniques including turns, jumps, and kicks that they see their favorite pop stars doing! Instructors will teach combos and choreography to upbeat, popular music with a great dance beat!

Kindergarten-Fourth Grade: Tuesdays starting September 14, 3:30-4:15 p.m.

11-week session

\$209 (includes Tippi Toes shirt)

Optional: \$50 fee to participate in winter recital on true stage

AUXILIARY PROGRAMS

continued

Silver Knights | Learn chess with Silver Knights! Silver Knights has taught 100,000 children to play including state and national champions, but most students are beginners looking to learn a new skill and have fun. Class time is divided between lessons and practice games. Lessons range from the basic rules to advanced tournament strategies. Students will have the opportunity to play in tournaments. All skill levels are welcome.

Kindergarten–Eighth Grade: Thursdays starting October 28

12-week session

\$218, all supplies included

3:30-4:45 p.m.

Deliciously Nutritious | Join us this fall for “STEM: The Science of Cooking, Make It and Take It Edition.” We’re rolling up our sleeves, calculating, configuring, mixing, and measuring. Using math, chemistry, engineering, and physics skills to create, predict, compare, and evaluate outcomes. Each week, children will eat what they created, while learning how food is grown and sourced, how our ingredients effect the taste, texture, and look of our creations, and how important cooking skills are from a STEM perspective and our overall health.

Kindergarten–Second Grade: Wednesdays starting September 15

Third–Fifth Grade: Mondays starting September 13

6-week session

\$225, all supplies included

3:30-4:45 p.m.

OnTarget Fencing Club | OnTarget offers quality instruction and training in the sport of fencing in a welcoming environment to children of various ages and skill levels. Our goals are to prepare strong competitive athletes and to create a program for everyone to enjoy fencing for fun, fitness, and recreation.

Second–Eighth Grade: Mondays starting September 13

6-week session

\$150, all equipment included

3:30-4:30 p.m.

Naptown Sings... and Plays! | Naptown Sings and Plays! will offer weekly private voice, piano, guitar, and ukulele lessons after school.

Lessons will be held weekly on school days

30-minute lessons

3:30-6:30 p.m. (45 and 60-minute options available)

\$75/year membership fee (covers all lesson materials, two recitals per year, and two open studio group classes prior to the recital)

\$165 montly lessons fee (one month’s notice is required to stop lessons)

AUXILIARY PROGRAMS

continued

Scratch Jr. | Kids have a blast solving problems, designing projects and creatively expressing themselves. They will make short stories, apply elements of animation, and create their own sprites and objects – all using technology and coding fundamentals!

First-Second Grade: Tuesdays starting September 28
10-week session
\$310, Chromebooks required to participate

Scratch | This class provides a powerful learning tool for budding programmers. Using an advanced block coding format, Scratch teaches fundamental programming concepts. Students learn these critical concepts by creating animations and computer games with interacting characters. Students will apply problem solving skills to debug programs, make customizations, and bring their imaginations to life!

Third-Fifth Grade: Wednesdays starting September 29
10-week session
\$310, Chromebooks required to participate

Python | Ever wonder how YouTube, Google, or Instagram were created? Python. Python is a powerful, “typed” language that will allow students to build a series of applications and explore complex graphics, animation, and sound to become a “real world” programmer! This versatile and widely used programming language is a great next step for experienced programmers. It also offers an on-ramp for middle school students ready to learn to code!

Sixth-Eighth Grade: Mondays starting September 27
10-week session
\$310, Chromebooks required to participate

First LEGO League EXPLORE | In Explore, teams of students ages 8-10 focus on the fundamentals of engineering as they explore real-world problems, learn to design, code, and create unique solutions made with LEGO bricks and powered by LEGO® Education WeDo 2.0. This year’s theme is Cargo Connect: Learn how cargo is transported, sorted, and delivered to destinations. Our primary objectives are to share ideas, creatively problem solve, interact with new technology, have fun, and make new friends!

Third-Fourth Grade: Tuesdays starting September 14
12-week session
\$75
3:30-5:00 p.m.
