

Dear St. Anne's School Families,

I write today to share with you [St. Anne's School's 2020-21 Return to School Plan](#). Please review the plan in its entirety knowing we are actively preparing to welcome all students to campus when school begins on Tuesday, September 1. Note flexibility and choice throughout the models to meet the differing needs of our families. In all cases, safety has been our first consideration and developmentally appropriate choices the second.

Please join school leaders at a virtual community conversation on Thursday, July 16 to discuss the Return to School Plan. Two sessions will be offered: 11:00 a.m. and 7:00 p.m. Click this link to join the conversations.

We will provide another update by the end of July. Thank you for partnership and support as we eagerly and thoughtfully prepare to welcome your children back to campus.

Take good care,

Andrea Weiss
